### **OUR STORY**

The luxury hotel brand began in New York City in 1893 on Fifth Avenue and was dubbed by Conrad Hilton "The Greatest of Them All." Acquired by Hilton in 1949, almost two decades after Waldorf Astoria New York re-opened on Park Avenue in 1931, the Waldorf Astoria brand has since seen unprecedented growth with a global portfolio of more than 30 iconic properties spanning 15 countries. Strategic growth continues with 28 properties in the pipeline at various stages of development. The Waldorf Astoria redefined hospitality excellence through the invention of 24-hour in-room dining service, daring culinary innovations of the times, and attracting culture-shaping clientele. Waldorf Astoria continues to be known for its intuitive tenacity to transform any moment, from the grand to the routine, into something unforgettable.
